

# GEOCACHE PROGRAM

**Hunt for treasure! Find the cache!  
Explore the world around you!**

Geocaching is a real-world, outdoor treasure hunting game using GPS-enabled devices. Participants navigate to a specific set of GPS coordinates and then attempt to find the geocache (container) hidden at that location.

Jim Creek has a variety of geocaches available for all skill levels. Stop by the Recreation Office to start exploring today! Don't have a GPS? We do! Rent one in the Recreation Office.
